Partner: _____

Skill	Attempt #					Total
	1	2	3	4	5	
Short Putt						
Long Putt						
Chip Shot						
Pitch Shot						
Iron Shot						
Wood Shot						
Total						

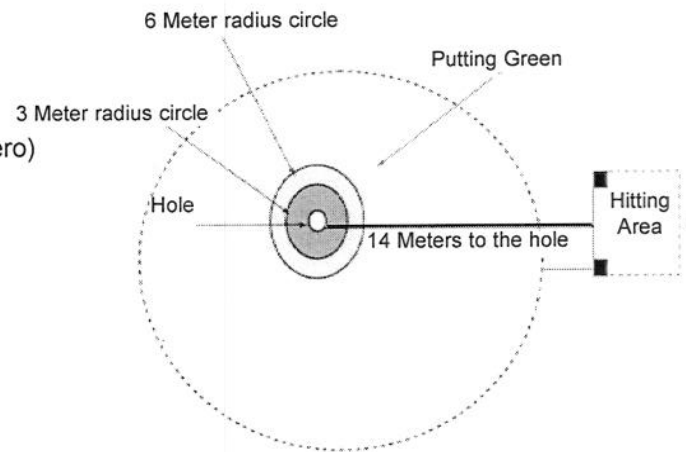

Long Putt and Short Putt:

1. Each athlete gets five attempts at the short putt and five attempts at the long putt.
2. Scoring:
 - 1 point for contacting the ball with the putter
 - 2 points for a ball stopping inside the largest circle
 - 3 points for stopping inside the smallest circle.
 - 4 points for making it in the hole.

Chip Shot

1. Each athlete gets five attempts at the chip shot.
2. Scoring:
 - 1 point for contacting the ball (a swing and miss is zero)
 - 2 points for a ball stopping inside the 6 meter circle
 - 3 points for stopping inside the 3 meter circle.
 - 4 points for making it in the hole.

Pitch Shot

1. Each athlete gets five attempts at the Pitch shot.
2. Scoring:
 - 1 point for contacting the ball (a swing and miss is zero)
 - 2 points for a ball that goes directly over the barrier.
 - 3 points for landing inside and rolling out of the 12 meter circle, **OR** if it lands outside, but comes to rest inside the 12 meter circle.
 - 4 points if the ball lands **AND** stops inside the 12 meter circle.

Iron and Wood Shots

1. Each athlete gets five irons shots and five wood shots.
2. Scoring:

*If the ball does not come to rest inbetween the width markers (35 meters wide for iron, 50 meters wide for wood) then that shot scores zero points.

- 1 point for contacting the ball (a swing and miss is zero)
- 2 points for a ball that comes to rest in the 2 point zone.
- 3 points for a ball that comes to rest in the 3 point zone.
- 4 points if a ball that comes to rest beyond the 3 point zone.
